is proud of our employees and wants to  
introduce you to our team!

*introducing*  
**JR Zydlo**  
service department manager

• **How long have you been with First Point Mechanical?**

*I have been with First Point since 2002. Believe it or not, I have worked with the owner, general manager and a few of our service technicians for my entire career, since 1995.*

• **What is one career lesson that you have learned thus far?**

*Absorb knowledge from anyone willing to pass it along. Don't take everyone's teachings to always be true. Don't think you understand something, know that you understand it.*

• **What did you want to be growing up?**

*Taller, stronger and have more natural talent to play professional baseball. I wasn't shocked when it never happened.*

• **What is on your bucket list?** *To shoot lower than 80 in an 18 hole game of golf.*

• **What do you find most challenging about your job?**

*The unexpected twists and turns of issues that arise, changing my plans set for the day. There is not a day this doesn't happen.*

• **If you could do another job for just one day, what would it be?**

*Work on a heavy duty Earth mover or a tower crane, but only for a day.*

• **People would be surprised if they knew:** *I enjoy wearing cowboy boots and hats.*

• **Three words that best describe you:** *Straightforward, Fair, Sarcastic*

• **What is one thing you can't live without?**

*Central Air, and I'm glad I know someone who knows something about how it works... thanks Dad.*

• **If you could have one super hero-type power, what would it be?**

*That "Jedi Mind Trick" always seemed like it would be fun.*
