

# FIRST POINT MECHANICAL

is proud of our employees and  
wants to introduce you to our team!

**Lindsey Moyer**  
service administrator/dispatcher

**What aspect of your role do you enjoy most?**

Working with a team that is truly dedicated to providing the best experience and quality of workmanship for our customers. Being able to work with such a great team encourages me to provide the best experience I can for our customers.

**Three words that best describe you:**

Patient. Honest. Practical.

**People would be surprised if they knew...**

I collect Coffee Cups! I buy a new coffee cup during special trips so I will be able to reflect on the memories whenever I drink from the cup.

**What celebrity do people say you look like?**

I have been told by many people that I look like Jennifer Gardner.

**What did you want to be growing up?**

I wanted to be a singer like Whitney Houston or Mariah Carey... until I realized I cannot carry a tune for the life of me!

**What is on your bucket list?**

I really want to go on a tour of Italy and Greece to experience the culture, visit the beautiful and ancient landmarks and eat a bunch of delicious food.

**If you could have one super hero-type power, what would it be?**

I am always running late so my super power would be teleportation. That way I would always be on time and would be able to go anywhere in the world!

**What is the one thing you can't live without?**

My daughter, she is the absolute best part of my day, every day!
